Dear Parents and Carers,

KS1 and KS2 both had assemblies all about Earth Day this week; what is affecting our planet and practical ways we can support looking after our planet. Lots of children have made a conscious effort this week. Many children have: Volunteered their break times and lunchtimes this week to litter picking across the school premises: Made posters to promote change and inform others and some have even Written poems and information leaflets. Well done everyone, keep it up!

Photo proof cards have been sent home today. Please note only Online orders are being accepted.

We have recently sent out a number of trip/experience emails & letters, as the Summer Term is when all the children consolidate their learning. If you haven't done so already, please login to your Parent Pay accounts to give your consent and make your contributions. Without the generosity of parents and carers, these trips and learning experiences would not be possible for the children. Many thanks for your support.

Have a lovely weekend, Mrs Higginbotham

Dates for your Diary

Weds 1st May—1A Class Assembly 2:45pm KS1 Hall

Mon 6th May—Bank Holiday, School closed

Weds 8th May 5B Class Assembly 2:45pm KS1 Hall

Thurs 23rd May —Y3, Y4, Y5, Y6 Sports Day 9-11am

Fri 24th May—Break up for half term 3:15pm

Mon 10th June—INSET Day, school closed to children

Tuesday 11th June—School open for Summer term 2.

Reception

Reception have had a great week learning outdoors and spotting signs of the seasons changing. We've been digging in the mud kitchen area to find minibeasts and some of them have even been adopted and given names!

Reminder to our parents for the stay and play on Tuesday 30th April at 8.40am in class. We can't wait to see you there.

Year 2

Over the last 2 weeks, in Geography, Year 2 have been learning all about the Lake District. We have been looking at the physical and human features of the environment and have been learning new vocabulary such as cliff, valley, lake, mountain, town and city. The children also spent some time outside using compasses to help them with their directional understanding of North, South, East and West.

Year 1

This term in year 1, the focus has been on Shakespeare and the children have been looking at the play A Midsummer's Nights Dream. We have had a go at re-enacting the play where each child had a character and their job was to represent their actions and the characters feelings through acting.

Year 4

Year four have spent time exploring the school grounds, they looked for different animals and plants. They then used this information to creating classification keys, using their working scientifically skills of grouping and classifying.

Year 3

This week year 3 have been learning about the importance of water for plants. In Science, we placed some white flowers in water and blue food dye and observed the flowers turn blue. This was to demonstrate how water travels from the roots up the stem and to every part of the plant.

Year 5

In Year 5, we are studying the coral reefs and the reasons they are endangered. With it being Earth Day this week, we have written some coral reef pledges that detail what we are going to do to make a difference and save the reefs.

Year 6

Year 6 created their own shadow puppets as part of our 'Light' unit in Science this week. Next week, we will test them and observe how shadows are created and how the distance from the light source affects the shadow.

House Points

This weeks House Point winners are **GREEN**
Well done to Emmeline Pankhurst House

MANCHESTER AREA YOUTH FORUMS

**Do you feel like your voice has not been heard?
Let's change that! All young people matter!
Together we can make Manchester
the best city for children and young people!**

**Area youth forums are spaces to discuss issues important to you.
Manchester will be hosting local meetings across the city
in person and online, to provide a safe supported space to discuss...**

**What's important to you?
How could Manchester be more youth friendly?**

Our youth forums will, create opportunities to get involved and make things happen!

Are you 11-18 years old?

**Get in touch to find out more email youthengagement@manchester.gov.uk
Or Scan the QR code to apply**

**First Wythenshawe Area Youth Forum
10th May 6-8pm
at Woodhouse Park Lifestyle Centre**
