Headteacher
Mrs J. Grant

Dear Parents/Carers,

I hope that you are all well. I am writing with some updates regarding school opening and other activities taking place.

Firstly, school is opening to Year 6 on Monday and teachers have been in contact with families to establish which children will be returning. School will be opening to Year 1 on Wednesday and families have been contacted about this.

Teachers will continue to plan online learning for those children who are not attending school. We will also continue to supply paper copies of learning materials for those people that prefer this.

You may have seen in the news this week Marcus Rashford, who plays for Manchester United and is from Wythenshawe, was successful in his campaign for free school meal vouchers to continue throughout the summer holidays. As a school community we wanted to say thank you to Marcus Rashford by creating a short video montage. We would like as many of you to be in the video as possible. To be in the video you will need to create a thank you message to Marcus Rashford and send a picture of yourself holding your thank you message. Be as creative as you like with your thank you messages. You need to send your pictures to Mr Twist (L.twist@sandilands.manchester.sch.uk) by Friday 26th June so the video can be created. Please can you send two pictures in, one vertical and one horizontal. We will use our social media platform to contact Marcus Rashford so hopefully he sees the video.

Teachers have been writing reports for children and when these are printed, they will be distributed along with details of which teacher your child will have next year.

If there is anything that you think school may be able to help with then please remember that you can use the email address info@sandilands.manchester.sch.uk if you cannot get through by phone.

Kind regards and stay safe

Joan Grant
