Weekly Challenges 7

1. Fact File Time!

Create a fact file about a different country. Where is it located in the world? What is the capital city? What language is spoken there? What does the flag look like? Are there any famous landmarks?

2. Sketch away!

Use your sketching skills to draw a picture of a famous landmark, or of something exciting in or outside of your house. Are there any spring flowers in your garden that you could do observational drawings of? What about people in your family? Become an expert at drawing faces after watching a tutorial. (drawwithrobutube)

3. Traffic Lights

Look around your house for red, yellow and green objects. Every time you see an item of this colour write it down. Which colour is most popular? Can you group them?

4. Pizza

Make some pizza toast. All you need is bread, cheese, tomato and any other ingredients you would like to put on your pizza. Can you write out the instructions?
