Staff Shout Out

Shout out to all the staff that went on the London trip for working for 3 days straight with no breaks! The children really appreciate all your hard work and you have given them some amazing memories that will last a lifetime.

Jubilee books

All children (Rec—Y6) received their very own copy of the book Queen Elizabeth, a Platinum Jubilee Celebration. This is great keepsake for the children to remember the Platinum Jubilee by.

Year 6

The year 6 children have enjoyed being able to wear their leavers hoodies to school this week and it has been

lovely to see them around school looking so grown up and almost ready for high school.

Spotlight on Year One

The Year 1 pupils have come back to school with such a positive attitude to learning this week and have worked incredibly hard in their assessments and phonics screening tests.

They also found some mysterious bones in their classroom and have been working hard to explore them and ask questions to help them find out who the bones belong to. The children have also begun their new topic 'Why are humans not like tigers?' and are getting very excited about getting to see some real tigers next week at Blackpool Zoo!

Date change!

KS2 Sports Day has been moved to the morning of Monday 18th July.

Further details of timings will be sent out nearer the time.

25 Years!

Mrs Annand has celebrated 25 years of working at Sandilands this week. We would like to say a huge thank you for all her hard work and I'm sure lots of you may remember her from your own school days at Sandilands.

Transition arrangements for new classes

Like last year, all children from Reception - Y5 will spend the last two days of term in their new class in preparation for September. With the exception of Nursery children who finish on Friday 15th July all other children will finish with their current teacher on Wednesday 20th July.

A big welcome to Zoe and Julie

We would like to say a big welcome to two new members of staff this week. We have Zoe Holgate who is Sandilands new School Business Manager and Julie Byrom who is the new school cook. We hope you both had a lovely first week.

Reception

Reception had a lovely surprise discovering how much our plants had grown! We've been busy watering them during this warm week and measuring how much they've grown. We're looking out for the flowers on the tomatoes next!

Year 2

A big well done to the year 2 children who have completed their habitat models this week. They have worked extremely hard on these and they look fantastic!
